STATEMENT OF UNINTENTIONAL DELAY

The Office Action dated October 26, 2010 was addressed to Donna Holguin of Kraton

Polymers at 3333 Highway 6, Houston, TX. Kraton Polymers moved from this address to its

current address at 16400 Park Row, Houston, TX in March of 2009. However, Kraton Polymers

failed to correct the address for this particular application (so far this is the only application in

which this has occurred). Thus, Kraton Polymers was not aware of the Office Action dated

October 26, 2010 and did not become aware that the application was abandoned until the

undersigned received a telephone call from the examiner in May of this year asking if the

abandonment was intentional.

On May 23<sup>rd</sup> of this year the examiner issued a Notice of Abandonment to Kraton

Polymers at the Park Row address and applicant is responding to this Notice of Abandonment

with a Petition to revive for unintentional abandonment of an application under 37 CFR 1.137(b).

Specifically, Kraton Polymers thru the undersigned is stating that the entire delay in responding

to the Office Action was unintentional.

Respectfully submitted,

Date: June 6, 2011
